ABOUT THE AUTHOR

Xiao Ma was born in XingTai，Hebei. China, in 2003. She currently studying at the School of Civil Engineering, Liaoning University of Engineering and Technology. Her main research interests are intelligent transportation and transportation carbon emissions.

E-mail: xiaoma20031020@163.com

HuanQi Gao was born in Guoyang County，Anhui. China, in 2004. He currently studying at the School of Safety Science and Engineering, Liaoning University of Engineering and Technology.

E-mail: 3609491804@qq.com

YuanHan Li was born in Fushun ，Liaoning. China, in 2005. He currently studying at the College of Science, Liaoning University of Engineering and Technology.

E-mail:lw521398@qq.com
